

Murals

Need a good painter?

This guy should qualify!

- Before photo - Typical concrete & stucco facade

The wall starts to take on a 3-dimensional appearance
Eric in his element, 30' off the ground

He does most of the artwork by
himself
& researches, paints and designs
each Project from scratch

His wife Kathy, also an artist,
Serves as project manager

- After photo - Finished product

MORE BELOW!

**Here are some more examples
of Eric's projects...**

Liberty Remembers Before photo

During Renovation

- After photo...
- Hard to believe you're looking
- At a flat 2-dimensional wall

How to dress up a Drab Shopping Mall Niagara,
New York ----- Before photo..

After photo...

Also look at the close-up of left side
and middle

(I wonder how many birds fly
Into this wall on a daily basis??)

Indoor Murals

Miller Brewery... Hallway

After photos...

- Past meets Present in the Miller Brewery Fermenting Rooms.

Hooks, clipboards and aprons were added To the surface of the murals to enhance the illusion...

You're looking at flat walls!

Detail view looking down The illusional hallway in the previous mural

SIMPLY AMAZING, ISN'T IT?

I wonder how many people walk
into the walls,
WHILE trying to go down a
hallway that does not exist!
